## Welcome Message

**We are delighted that you are joining our campus community. We are committed to creating the best possible environment for you to conduct your scholarship, to inspire students through teaching, and to serve your discipline, our campus, and global communities.**

**As part of your arrival on campus, all new faculty members are invited to attend New Faculty Orientation. This program is designed to integrate you into campus culture, and provide an overview of the policies, procedures, resources, and services available to you. You will hear from various members of the faculty, staff, and administration who will lead sessions and share experiences and insights to assist in your acclimation to the University. The program will provide an introduction to the campus and community, including resources and services;**

- Describe the expectations and responsibilities of faculty;**
- Outline policies and procedures that guide faculty life;**
- Orient faculty to their roles in teaching, research and service; and**
- Familiarize faculty with mentoring and professional development opportunities.**

**We want to make your transition to campus as smooth as possible. Please explore the information and links to resources for new faculty on our website. If you have any questions, please reach out to let us know at [info@cavallauniversity.edu](mailto:info@cavallauniversity.edu). We look forward to meeting you at orientation and working with you throughout your career at Cavalla!**

# Welcome Message from the President

We would like to welcome you to Cavalla International University (CIU) and to congratulate you for your decision to become part of our international community of students and professors. The university values and welcome everyone and takes special interest in helping students achieve their academic goals. The goal of CIU is to provide excellent, flexible, and affordable education to anyone from anywhere in the world. “CIU actually brings high quality American Education at your door, with three accelerated options to help you complete your program a year earlier.”

We provide high quality educational study programs that will benefit our students and help them appreciate their decision to study at our institution. We take pride in the fact that our students graduate with high confidence and possess the necessary skills needed to enhance their expertise and career advancement.

The University has six colleges and a graduate School, including Barclay College of Law, and three accelerated semester options to help our students complete their programs a year earlier and to possibly begin earning income before what would have been their graduation date at another university. We are pleased that you are considering our world class research programs that are also designed to develop professionals with advanced research skills. Please take time to read through our academic programs, while paying attention to your area of interest as well as the course descriptions.

We would like to commend you for your interest to study at Cavalla International University. An education at Cavalla International University will enable you to appreciate the art of studying and help you develop the confidence needed to approach all angles of your professional life. We look forward to formerly welcome you and to introduce you to our international faculties to and to create a program that fits your educational and career needs.
