

Irene May Cagula-Escauso, PhD-TM
Chairperson
Department of Computer Science & Engineering

IT Program Head, St. Francis Xavier College

Dr. Irene May Cagula-Escauso is a seasoned IT professional and academic leader with over 13 years of experience in higher education. She currently serves as the **IT Program Head at St. Francis Xavier College, Surigao City, Philippines**, where she leads curriculum development, faculty training, and research initiatives.

She holds a **Doctor of Philosophy in Education with a specialization in Technology Management (PhD-TM)** from Surigao del Norte State University and a **Master in Information Technology (MIT)** from Surigao State College of Technology. Throughout her career, she has played a pivotal role in advancing IT education, mentoring students, and spearheading innovative academic programs.

Beyond academia, Dr. Escauso is actively involved in professional organizations, serving as the **Regional President of the Philippine Society of Information Technology Educators (PSITE)** and an **appointed member of the Regional Quality Assurance Team (RQAT) of CHED-Caraga**. She is also a **National TVET Trainer for TESDA** and a recognized **resource speaker on Data Privacy Protection for DICT**.

Her expertise spans **IT leadership, curriculum design, web development, data privacy, and technical training**. With a strong analytical mindset, a passion for mentorship, and a commitment to technological advancement, Dr. Escauso continues to shape the next generation of IT professionals.
