

Cavalla International University

OFFICE OF ACADEMIC ADVISING STUDENT LIFE COACH PROGRAM

Objective: All new, prospective, and transfer students will be admitted into the Student Life Coach Program. The Student Life Coach will provide academic support to students throughout their academic program and graduation. The Student Life Coach will be available to assist students to succeed in their academics, and encourage students to become successful in their academic and professional careers. The Student Life Coach will motivate, educate, and support the student to ensure a positive academic environment at CIU. **Note:** Students may contact any Student Life Coach if another life coach is not available.
