

Dr. Ebitari Binaebi
Professor

Dr. Ebitari was born and raised in Port Harcourt, Rivers State, he attended Methodist Nursery and Primary School, and proceeded to The Light Secondary School to undergo his secondary school education. He gained admission to study Agricultural Economics at Rivers State University of Science and Technology, now (Rivers State University) where he earned a Bachelor of Science degree in 2012. He proceeded to the South-West of Nigeria (Ekiti State to be precise) where he served his country (Nigeria) in the mandatory National Youth Service Corps (NYSC) in 2013/14 Batch C. Upon conclusion of his NYSC, he registered for his MSc and PhD programmes consecutively in Agricultural Economics at Rivers State University and successfully completed them in the year 2018 and 2022, respectively. His area of Specialty is Agricultural Production Economics, also with a strong background in Agricultural Marketing.

Dr. Ebitari is a member of the World Safety Organization (WSO), and was also a member of the National Environmental Standards and Regulatory Enforcement Agency (NESREA), also he is a socio-economic consultant in the conduct of Environmental Impact Assessment (EIA). He consults for Delta Systematics, an EIA firm that conducts third party EIA for the Nigerian oil and gas sector. He currently has 13 articles which are published in both international and local academic proceedings and referred journals, he is also a speaker at academic conferences. During his PhD programme, he mentored Undergraduate and postgraduate (PGD & MSc) students on the use of statistical tools in solving research objectives, also he actively engages in research analysis and is proficient with several statistical packages. He is a reviewer of the Journal of Economics and International Finance (JEIF), Journal of the Advancement of Developing Economies (JADE), African Journal of Business Management. His vision as an Agricultural Economist is human capacity and resource development via lecturing, Agricultural development and growth and nation building. Currently Dr Ebitari is a lecturer at Cavalla International University USA.
